

## PGA HOPE at Quail Chase Golf Course

### Session #2

Kentucky's PGA HOPE program at Quail Chase Golf Course provides all Veterans with FREE golf instruction taught by local PGA Professionals. The HOPE program is designed to provide golf as a therapeutic rehabilitation tool for all military Veterans. The lifetime sport of golf has proven to be an excellent outlet for activity and competition, but also allows Veterans to assimilate back into their community through the social interaction the game provides. The program consists of six 90-minute sessions that begin at 4 pm. Sessions include instruction, camaraderie and playing opportunities, including the PGA HOPE Golf League (more details to follow soon)
