PGA Logo Colors

The PGA Professional logo should appear in Gold and Blue.

PGA of America Metallic Gold is equivalent to
PANTONE 872C or PANTONE 872U

PGA of America Blue is equivalent to
PANTONE 533C or PANTONE 539U

This identifies the exact color formations for 4-color printing
(CMYK) and on-screen use (RGB).

When reproducing always match the PANTONE colors defined here.
When printing on uncoated paper stock, use the uncoated PANTONE
numbers as colors can sometimes change significantly.
