

## **Want to win tickets or volunteer inside the ropes at the 2014 PGA Championship?**

The Kentucky Golf Association (KGA) is excited to offer you an opportunity to win tickets and serve as a marshal on Hole #1 at the 2014 PGA Championship at Valhalla Golf Club, “Glory’s Last Shot”. In addition to this once in a lifetime opportunity, the KGA is constantly providing you and your course with a variety of programs and services that make playing the game of golf an enjoyable experience. The KGA (headquartered in Louisville) is a non-profit organization comprised of over 180 member courses and serves and fulfills many roles for golf in Kentucky.

For example, have you ever wondered how your USGA Handicap Index is calculated? It’s a lot more than a mathematical formula automatically done by a computer and requires the KGA to provide your course with a USGA Course and Slope Rating.

Course and Slope Rating and handicap computation is a complicated process and when you consider the KGA services over 180 courses and 24,000 golfers (from Pikeville to Paducah and Petersburg to Pine Knot), you begin to get a sense of the scope of what the KGA makes possible for golf in Kentucky. We are very pleased to provide these services.

The KGA is working to improve your golfing experience and we need your help. We recently created a new level to our Members Program (Member Level). By joining this level, you will not only help the KGA in its efforts to make the game of golf better for every man, woman or child who resides and plays golf in Kentucky; but will also enjoy a host of other benefits:
