Dear Kentucky Golf Hall of Fame Selection Committee;

I am proud to nominate Carle "Buddy" Mahan to become a member of the Kentucky Golf Hall of Fame. Buddy was one of the top amateurs for many years in Central Kentucky winning a number of the area's invitationals. He also was a recognized competitor in KGA events and was president of the KGA during the 70's. Buddy has two sons, Cole and Bart, both who played golf and carried scratch handicaps.

Buddy was a member of Spring Valley Country Club during my tenure as the club's golf professional. Buddy was a great member and an excellent ambassador of the game of golf. He has always been a true gentleman and his family has supported golf in everyway. Buddy is a man of character and integrity and would be a great addition to the Hall. For me personally being selected to the Kentucky Golf Hall of Fame was the most rewarding honor I have received and I know if Buddy is selected he will feel the same way. I truly hope you will give much consideration to Buddy Mahan's nomination and I appreciate the selection committee and your efforts.

Sincerely,

Danny McQueen

To Whom It May Concern:

I recently learned that Carle "Buddy" Mahan was possibly being considered for the Kentucky Golf Hall of Fame. I immediately thought of the first time I met him in 1961 in Paris, KY. I was fifteen years old and paired against him in the first round of match play in the Stoner Creek Invitational. He easily beat me; however, there are impressive personal traits I remember about him forty-nine years later. His friendliness, smile, his attempt to make me feel comfortable in my first championship flight experience and the way he conducted himself on the golf course left a lasting impression on me. I am convinced he made me a better person for the rest of my life the day I met him in 1961.

Respectfully,

Dear Sirs,

I am writing to express my support for the Kentucky Golf Hall of Fame nomination of Carle E. (Buddy) Mahan. This is one of the most pleasurable things that I have ever done as I believe this man to be an excellent candidate for this honor.

I have known Buddy since 1956 when we were opponents while playing in the Daniel Boone Invitational. I was struck by the fact that no matter what occurred during the match, he never wavered from being the total gentleman competitor. I was later to find through many rounds of golf together that this was Buddy's basic nature.

Buddy has been the winner of numerous tournaments in the state as well as being a stand-out collegiate golfer at Kentucky Wesleyan College. During his college days he won the K.I.A.C. tournament which, of course, was to be the forerunner of the O.V.C. conference. In his later years he became an ardent supporter of the game in this state and served as the President of the KGA.

I doubt that there is a more deserving person for this honor and I strongly support his candidacy.

Very Sincerely,
