1. Please briefly describe the nominee's service to the local Section and to the Association.
I work with any and all green grass golf facilities in the state of Kentucky that have an approved customer account with the companies I represent. My service to the section is to provide current product information and selling opportunities that may be available to them.
2. Please briefly describe the nominee's contributions to the game of golf in the Kentucky Section.
Over the past 7 years that I have been in the Kentucky Section, I have had the privilege of working with many of the section professionals. I have conducted many numerous product demo day events, educational seminars and sponsored KPGA sanctioned golf events.

This past year the Section Pro- Jr. event was our sanctioned sponsor event, as well we sponsored the Larry Gilbert/Dave Bunnell First Tee Golf Foundation Pro-AM held at Kearney Hills Golf Links. This event was attended by only KPGA professionals and their amateur partner.

3. Please briefly describe how the nominee promotes the game of golf in the community and throughout the Section.
Most of my promotions to the game of golf come through working with KPGA professionals at their Facilities. I conduct over 50 product demo, club fitting and Wedge clinics. This interaction with golf professionals and their patrons contributes to enhancing the game of golf and promoting the PGA professional as the expert in the field of equipment, club fitting and teaching.

I spent this summer working with Stephen Keinath of the Larry Gilbert 1st Tee Foundation to help his annual junior tour events with prizes and local support. At each event, all participants received a prize for playing and competed for prize through on course competitions during the event.
