1. Please describe the nominee's overall performance as an Assistant Golf Professional.

As an Assistant Golf Professional, I strive to better myself to prepare for the day that I become a Head Golf Professional. I have been very lucky to work for two amazing golf professionals in which their main concern was preparing me to advance in my career. Both of these professionals have imparted me with knowledge and experience that will serve me well going forward in my career. It is because of this knowledge and experience that I feel that I am able to step in when Mike is away with Justin and provide a level of service that is equal to the service that they would receive if Mike was available. I have also been lucky to enough to study under distinguished teachers and club fitters to allow for a well rounded skill set as an Assistant Golf Professional.

2. Please briefly describe the nominee's service to the local Section and to the Association.

I am the President of the Assistants/Apprentice Division and on the Tournament Committee

3. Please briefly describe the nominee's leadership ability.

Once entering the golf industry in college, I have served in leadership roles ever since. In college I was the Tournament Committee Director; which is one of the more involved positions in the PGA Golf Management Program at ECU. Once an Assistant, I became President of the Assistants/Apprentice Division after running in the first election that I was eligible to run.

4. Please briefly describe how the nominee inspires fellow Assistant Golf Professionals.

I feel that the best way that you can inspire someone is not by what you say it is by what you do, therefore I make sure that in both my work and personal life that my actions are worthy of emulation. I inspire fellow Assistant Golf Professionals by being active in the section, both with the Assistants/Apprentice Division and the Tournament Committee as well as by playing in as many Tournaments as I possibly can.

5. Please briefly describe how the nominee grows the game of golf at the facility, in the community and throughout the Section.

I grow the game of golf at my facility by creating and running our Junior Golf and Ladies Clinics. Both of these are areas that I feel like our facility has struggled with in the past. This upcoming season I am looking to make significant changes in both areas to try to make them a strongpoint at our facility rather than a weakness.
