1. Please briefly describe the nominee's service to the local Section and to the Association.  
I believe in all the good the KY Section does to promote the game of Golf and want to be a part of it. I feel that if we all do our part to help grow the Section, it will only grow the game of golf. I feel fortunate working for a Company that believes in and supports the game of golf as much as Oakley does. This allows me to focus on working for each and every one of my partners in Kentucky. I look forward to working even harder in 2014 to grow the game.
2. Please briefly describe the nominee's contributions to the game of golf in the Kentucky Section.  
I am willing to go the distance for my partners regarding Section events, local events and their club events to make sure they are a success. Because I have the support of Oakley, I am able to provide product and funds for a local Section event each year.
3. Please briefly describe how the nominee promotes the game of golf in the community and throughout the Section.  
The distance I am willing to go above and beyond for each of my partners speaks for how I promote the game in the community. I feel we have some of the finest Professionals and courses period, so it makes it easy to work hard for the Section.
