

Friends of Kentucky Golf

Passionate Golfers... Passionate Giving

WHY ANNUAL GIVING?

We are a non-profit organization; Impacting Kentucky Lives Through Golf is our cause. In giving to the Kentucky Golf Foundation, you provide us the support to accomplish this mission.

YOUR GIFT POSITIVELY IMPACTS LIVES.

Golf is unique; its participants are passionate about giving back. Whether giving a military hero hope, improving the wellness of our youth or celebrating the game's history, our programs positively impact lives!

YOUR GIFT GROWS THE GAME.

People of all gender, age and social/economic background enjoy the game of golf. The earlier a person learns the game, the greater the chance they will be a lifetime golfer. Your gift helps create opportunities to learn the game in schools, on the playground and at the course.

YOUR GIFT IS PERSONAL.

Each person has a unique reason for supporting the Kentucky Golf Foundation. Everyone has special memories of this extraordinary game and wants to ensure that future generations have the same opportunities. Every year, every gift of every size truly makes a difference.
