Dear Erin,

I wanted to take the opportunity to nominate Mr. Bill Moore for the Kentucky Golf Hall of Fame. As a 25 plus year member of the Kentucky Section and a representative of the National PGA Board Bill has more than proven to be a mainstay of Kentucky Golf. Bill has a business acumen that far exceeds many of the individuals in our business and he has done more to grow golf in Kentucky than any PGA Member in this section that I can recall.

Bill Moore has and will always represent the finest of what Kentucky Golf is and what it will become. In my view, it is necessary for all nominees to our Hall of Fame to come from different geographic areas and possess unique abilities that have complimented Kentucky Golf. Bill comes from a very unlikely golfing background and has risen to the very height of what a PGA Professional does on a daily basis. He will serve us well as a member of our most exclusive group of professionals.

With Best Regards,

Subject: Letter of Recommendation-Bill Moore

Erin,

Please accept this letter of recommendation on behalf of Bill Moore, who I understand has been nominated for the Kentucky Golf Hall of Fame.

I have know Bill for over 20 years, and served under him while he was president of the Kentucky Section, as well as our many years together as members of the Board of Directors of the Kentucky PGA.

From his unique start in the golf business as a grocery store owner and member of London Country Club, to his rapid rise to PGA Membership, Bill has been an exemplary PGA Member and friend. Bill worked hard enough on his game to pass the playing ability portion of PGA Membership, ascended to membership, then quickly began giving back by serving the Kentucky Section and the KGA-PGA. Bill also served the PGA of America as a National Director with the PGA, and was instrumental in the PGA Historical and Education Center in Port St Lucie, FL. All the while he was instrumental in the development of Crooked Creek GC in London, he continued to mentor young professionals in the game, as well as all those around him. Bill is a sharp business man, a true professional, a credit to the game of golf, and a friend to anyone who has come into contact with him. He has unselfishly given his time to Kentucky's family of golf organizations, untold PGA Members, many, many golfers, and, is well deserving of the honor he is nominated for.

If you would like to further discuss Bill's qualifications, please don't hesitate to contact me.

Thank you,
