Dear Committee:

It is my pleasure to submit Jackie Resinger's name to the committee for consideration to become a member of the Kentucky Golf Hall of Fame.

Mrs. Resinger has long been a strong advocate for growing the game of golf in our state. For over twenty years, Jackie was on the USGA Girls Junior Committee. She hosted a number of qualifiers that were always conducted first rate.

I have known Jackie for a number of years and have used her golf knowledge to help formulate the KY. Women Open over 17 years ago. With her guidance, this event has become the premier tournament for our lady professionals and the state's top lady amateurs. Mrs. Resinger donated the crystal trophy that is on display at the section office. This trophy now bears her name J.K. Resinger Trophy.

Thank you for your consideration.

Sincerely,

Tennye Ohr

Louisville, KY 40245

Dear Committee,

I don't think there is any female in Kentucky who has given more to golf than Jackie Resinger. She served on the USGA Junior Committee for 20 years and ran the qualifier for this event each year. She was President of the Women's Kentucky State Golf Association; she helped start the KY Women's Open and donated the trophy for the winner. She made sure that Kentucky sent a 3 person women's team to compete in the National Team Championship and supplied them with uniforms.

Jackie was on the KGA/PGA board of directors and is now a director emeritus. She was a member of the state course rating team and serves as a rules official for tournaments in the state and asks for no compensation. She has always been a booster for UK Women's Golf and made a generous donation to the UK Golf House. I cannot think of anyone more deserving for the Kentucky Golf Hall of Fame. Thanks for your consideration.

Sincerely,

A handwritten signature in blue ink that reads "Bettie Lou Evans". The signature is written in a cursive, flowing style.

Bettie Lou Evans
Director of Golf Operations

July 18, 2010

Dear Kentucky Golf Hall of Fame Committee;

It is my great pleasure to recommend JK (Jackie) Resigner be elected to the Kentucky Golf Hall of Fame.

Jackie's passion for the game of golf is far reaching. For many years, she has been involved with numerous state and local golf organizations and associations. She previously served as President of the Womens' State Golf Association and currently serves on the KGA Board of Directors, where she has consistently been a strong advocate for improving golf for everyone in the state.

For the past 20+ years, she has been Kentucky's representative on the Junior Girls USGA Committee. That service has enabled her to become instrumental in the advancement of girls' golf in the state. Because of her involvement in state organizations, she has developed strong ties with other golf associations across the country.

In the mid 90's, Jackie approached me with the idea of initiating a Kentucky Womens' Open Championship which would be a gross event for low lady amateurs as well as state golf professionals. Since its conception, the Open has become a huge success. Besides being an advisor to the event, Jackie donated the crystal trophy for the championship. In 2009, the trophy was named the JK Resigner Cup to honor her and thank her for all the years of dedication and service for the advancement of golf in Kentucky.

I have been associated with Kentucky golf for most of my life and I cannot think of anyone who has donated more time and resources to this game we all love. I sincerely hope you will consider Jackie Resigner as a deserving member of the Kentucky Golf Hall of Fame.

Thank you.

Sincerely,

Tennye Ohr

Dear Committee,

It is my pleasure to submit the name of Jackie Resinger for your consideration to become a member of the Kentucky Golf Hall of Fame.

Not only is Jackie a dear personal friend and an avid golfer, but she has been involved in Kentucky golf for many years and has given generously her time and money to help support it. During her term as WKSGA president she was instrumental in establishing the Dorothy Waters Award for Junior Golfers. As a member of the USGA Jr. Committee, she runs a qualifier each year for the national junior tournament. Jackie helped set up and donated the winner's prize for the Kentucky Women's Open. She has always been a big booster of the University of Kentucky Women's Golf Program, which we greatly appreciate. She donated generously, as well as helped to promote the building of the Golf House. When called upon to serve as rules official, she accepts the responsibility asking nothing in return.

From all of this you will be aware of her passion for golf, so I think she would certainly be a good addition to the Kentucky Golf Hall of Fame. Thank you.

Sincerely,

Bettie Lou Evans
