Employer : Crescent Hill Golf Course

Title : Head PGA Golf Professional/President Barry Bonifield Inc.

PGA Member (# of years) : 18

Candidate for : Director District 2 and Director at Large

KPGA Committee Experience : Communications Committee

KPGA Board Experience : N/A

Candidate Platform and Positions : I'd like to be of service to the Kentucky section through serving as Director first of all, because I'd count it as an honor to serve my fellow PGA members. My skill set is one of varied qualifications from being at Public, semi private , and Private venues, in addition to currently serving as Head golf professional at Crescent Hill Golf Course, a municipal facility where I have been for the last twelve years. Like many others in our section, I derive my living from ownership of a fleet of thirty golf cars, merchandising the shop, a food and beverage concession, and giving lessons when time permits. I love playing and competing in tournaments offered by the Section. Now, my interest is moving in the direction of serving my fellow members and our great Section. This would be a tremendous honor for me to contribute, and to give my time and sincere effort for the benefit of every PGA member and apprentice in Kentucky .
