Candidate Platform & Positions

Please detail why you are wanting to service on the KPGA Board of Directors and what skill set you will bring to the board.

I am wanting the opportunity to serve the members of the KPGA in any fashion possible and help to grow the game of golf in the state of Kentucky. Being elected to PGA Membership is, without a doubt, my greatest achievement professionally. I take great pride in being a steward of our association and I enjoy the process of creative change and execution that it takes to further its success. I believe I bring an unbiased, open minded, creative, and professional mind set to the board room. I believe in protecting rules and order, as well as tradition, but I understand the challenge of keeping up with an ever-changing industry.

I bring no platform or agenda. Just a willingness to serve as an approachable, relatable, and dedicated member of the KPGA.
