Candidate Platform & Positions

Please detail why you are wanting to service on the KPGA Board of Directors and what skill set you will bring to the board.

My passion for governance comes from being closely associated with several PGA Professionals that have dedicated their time and hard work to the association at the chapter, section, and national levels. I aspire to serve at all levels of PGA governance throughout my career. I want to make a difference in the lives and careers of as many PGA members, apprentices, and golfers as possible.

My personal philosophy is to improve every day in some way. I take this philosophy to my faith, family, work, golf game, and I would bring this to our PGA Section. I want to see our section improve any way it can for its members and apprentices and I am willing to pull up my sleeves and help! I do my very best to participate in as many tournaments and meetings as I can to better our section, its members, and myself. I hope everyone will see this passion, motivation, and dedication!
