

## ASSISTANT | APPRENTICES REPORT

There is still time to sign up for the CPP Golf Operations Certification Workshop, led once again by Todd Sammons. The workshop will allow you to learn the online information in a group setting over two days and directly apply it to your unique facility and situations! The workshop will be on January 9-10 at Golf House Kentucky. We would like to thank Danny Baron, PGA and the rest of the Education Committee for putting together a great series of Pro2Pro Workshops and other education opportunities. We would also like to thank all of our presenters and future presenters who have agreed to provide quality education to our members.

Special thanks to Justin Mullannix, PGA and Kearney Hill Golf Links for agreeing to host the Final Four of the Assistants Match Play Championship, as well as William Schuetz, PGA and Summit Hills Country Club for hosting the 2016 National Car Rental KPGA Assistant Championship. Congratulations to John Bachman for his 3&2 victory over Chad Douglas in the Championship Match and to Daniel Iceman for not only his victory in a one-hole playoff at the 2016 National Car Rental KPGA Assistant Championship and top 20 finish in the National event, but also for being named the OMEGA Assistant Player of the Year.

A new Assistants | Apprentice Division President-Elect will be elected at the 2016 Fall Member Conference. I encourage any Assistant interested in becoming more involved in the Section to consider running this fall. I welcome the feedback of Members, Assistants, and Apprentices prior to the Fall Member Conference, so I can help to answer any questions you may have.

Respectfully yours,

Will Schneider, PGA  
Certified PGA Professional  
Assistant/Apprentice Division President  
Assistant Golf Professional  
Harmony Landing Campus  
Big Spring Country Club, Inc.
