1. Please briefly describe the nominee's service to the local Section and to the Association.
We have committed to being stewards of the game in the areas we cover, to help support, grow, preserve the game of golf. We have committed time, equipment and money to help supplement the game that provides our livelihoods. Established the first Pro-Pro Series Team Challenge (2016). On the advice of our own Steve McMillen, we provided a venue that brought some Pros together that maybe wouldn't have happened otherwise. Not to mention a sizable purse to be split among the winning team members.
2. Please briefly describe the nominee's contributions to the game of golf in the Kentucky Section. We have participated in a number of events per year with the KPGA, at any venue the organization has asked. Be it a Title Sponsorship tournament, a hole sponsorship or simply making sure players had a ride, Cunningham Golf Car Company has and will continue to support our local and regional Professionals in any way we possibly can.
3. Please briefly describe how the nominee promotes the game of golf in the community and throughout the Section. We support the game of golf through the golf professionals we do business with. We do this by providing quality fleet management solutions to help lower cost to the golf car fleet owners and their members and guest. KHSAA golf tournaments, Bowling Green CC. always has a difficult task moving players from one place to another. One simple question was asked, "How can we help?" Multi-passenger vehicles were donated and delivered free to help minimize this issue. Along with a monetary donation, we try to help the pro, staff and parents attending this once per year event.
4. If you are a Sales Representative, are you a member of the Kentucky PGA Vendors Circle?
Yes

5. If you are a Sales Representative, does your sponsorship money come through personal or corporate funding?

Both! In order to make any slight difference or impact, it takes both Cunningham Golf and Utility Vehicle Inc. and Yamaha Golf Car Co. to reduce the chance of sponsorship dollars from becoming so diluted that it makes no difference.
