

2017 KPGA

Player Development Grant Application

Each year funds are granted to deserving programs across the state of Kentucky. These programs can offer scholarships, provide clubs for kids, educate individuals about the game of golf, promote the development of golf for seniors, juniors and women and provide opportunities for golf instruction.

The Player Development Grant Application deadline is January 31, 2017. Each program granted funds is required to complete a Grant Report Form and return it along with any supporting materials (i.e. curriculum, applications, media coverage, photos, etc.). Failure to return a completed Grant Report Form by November 1, 2017 may result in the denial of all future requests for assistance, as well as, reporting the failure to the KPGA Membership.
