

2018 KPGA

Player Development Grant Application

Each year funds are granted to deserving programs across the state of Kentucky. These programs can offer scholarships, provide clubs for kids, educate individuals about the game of golf, promote the development of golf for seniors, juniors and women and provide opportunities for golf instruction.

The Player Development Grant Application deadline is January 31, 2018. Each program granted funds is required to complete a Grant Report Form and return it along with any supporting materials (i.e. curriculum, applications, media coverage, photos, etc.). Failure to return a completed Grant Report Form by January 31, 2018 may result in the denial of all future requests for assistance, as well as, reporting the failure to the KPGA Membership.

1) Please describe the nature and mission of the program.

Vision is to have the equipment housed at Golf House to be used by KPGA Member Clubs to promote player development activities at their club. Equipment is "glow in the dark" and is used for a festive, fun way to experience the game of golf. I would suggest a rental fee of \$500 to be paid by the club to utilize this equipment and it be checked out through the same procedures as the inflatables and SNAG equipment.

2) How is the program structured (i.e. classes, clinics, tournaments); what is the length of the program?

See above. I would envision the club creating a themed event for their customers to experience a unique and fun activity through golf. Note: I would propose as an addition to the rental fee that the club purchase their own stock of the glow balls.

3) Where is the program held?

At KPGA Member Clubs that want to participate

4) How many participants does the program have or how many do you anticipate?

Site dependent.

5) Describe the composition and background of participants (age, socio-economic background, gender, golf skill).

Site dependent. I envision this equipment could be used for all segments of the population.

6) How will the funds be utilized? Please provide specific, detailed examples of expected purchases, scholarships given, costs of equipment, labor budget, etc.

Purchase of equipment to be available for all KPGA Member Clubs

7) Did the program participate in the 2017 Kentucky PGA Golf Day?

No

8) What are the other sources of funding for this program?

Requiring facilities to rent the equipment

9) Please list two references we may contact about your application. Please include full name, address, phone number and relationship to the program.

Ralph Landrum & Craig Heibert

10) Provide suggested dates for a Kentucky Golf Foundation representative to visit the program:

Any and all! Note - This equipment would be the property of Golf House Kentucky!
