Valhalla Golf Club | August 6th, 2018

Presented by

Dear Kentucky Golfer,

We got involved in golf because someone took the time to help teach us the game. As golfers, we give back because it is a tradition of the game; it is what makes the game so unique.

The Kentucky Golf Foundation, the charitable foundation of the Kentucky PGA and Kentucky Golf Association is hosting the 2018 Youth on Course Pro-Am presented by ISCO Industries.

We invite you to help us give back by becoming a Team Captain at this unique tournament. As Captain, you are asked to recruit a team that consists of four amateurs and a professional who will join you for a truly unique experience. Collectively, each amateur will pay an all-inclusive \$750 entry with proceeds to provide Kentucky youth with access to life changing opportunities through golf.

We know you have many options for charity golf tournaments and trust you find our cause laudable, as well as personal. Please join us on August 6th at Valhalla Golf Club for a truly unique experience. We hope we have a lot of golf still left in front of us, however we still want to ensure those playing behind us will always be on the course.

Thank you for giving back to the game you love and helping to make a difference!

Sincerely,

Brent Paladino
CEO, Kentucky's Family of Golf Organizations

Youth on Course Pro-Am | Presented by ISCO Industries

Valhalla Golf Club | Monday, August 6, 2018

Golf teaches important social, mental and physical skills and each round is filled with learning potential. When people play golf, they are spending time walking outdoors, meeting new people, developing social skills, practicing golf's inherent values and etiquette, and having fun while learning to overcome mistakes and obstacles.

We are proud to introduce *Youth on Course* to Kentucky. *Youth on Course* provides Kentucky youth with opportunities and affordable golf. By eliminating costs and learning barriers we will be providing Kentucky youth with access to life changing opportunities through golf.

While it all starts with giving our *Youth on Course* members access to golf for \$5 or less at more than 20 participating golf courses in Kentucky, it definitely doesn't end there. It is our plans to set them up for success beyond the green through our future Caddie Academy, paid high school internships, tournament grants, and college scholarships.
