Hello my name is Jacob Buechele and I am writing this in order to share with you the reasons why I deserve the Justin Thomas Grant. I hope to "tee" you up to see why I am the one for this amazing grant.

I began playing golf in July 2015 as a freshman with one of my best friends who had been playing for several years. He said to me 2 weeks before golf team tryouts "You should tryout Jacob." So I said "OK, but I will have to practice some before tryouts." So he took me out several days before the tryouts, and I did ok. I was shooting in the high 90's to low 100's. Well I knew I had to shoot below 100 to make the team so I had to be on my game! Well tryout day came and I just didn't make the cut, I shot a 101. Coach told me to go out practice and come back next year and try again. Well getting cut from the golf team as a freshman was one of the best things that could have ever happen to

me, I had always made every team I tried out for and when I didn't make the golf team it gave me the drive like no other. I had played baseball since I was 3, and basketball since I was 4 and loved every minute both of those sports but nothing compares to the passion I have found for golf. So I came back as a sophomore and I made the team with a score of 86. And I really just have improved since, my junior year I was 3<sup>rd</sup> best on our team and played Varsity all year. I even won a tourney for top individual score of 73! I have given up both baseball and basketball to focus solely on golf, this is what I want to do!!

Well I hope by giving you a little history on my short golf career, you can see why I feel I deserve this grant so I can play in more tournaments and improve my game even more. I really hope I can take this golf game on to college, hopefully a scholarship and play competitively. Thank you so much for your consideration.
