Justin Thomas Grant Application

My name is Jay Nimmo and feel I am worthy of receiving this grant.

I am currently a freshman at Marshall County High School who has already played five seasons of high school golf and numerous national tournaments. As well as playing golf, I also play on the varsity basketball team. I am not just a two-sport athlete, I am a true STUDENT-ATHLETE. I play both sports at a high level while maintaining a 4.0 GPA. I just recently made a 25 on the ACT with a 30 in math; that as a freshman.

But this is mainly about golf... I am the number one ranked junior golfer in Kentucky and the surrounding states in my 2021 class. I am ranked in the top 50 nationally in my class. Some of my accomplishments include:

- 2018 Drive, Chip, and Putt Finalist: Tied for 3rd (2016 Finalist, 4th Place)
- 2017 AJGA Junior All Star at Owensboro 2nd Place (73, 67, 71)
- 2017 2nd Team KY High School All State Golf Team – Only Freshman on the Team
- Golf Channel's Morning Drive Honor Roll Recipient
- 2016 Kentucky Middle School State Champion (70)

I plan to play a very strong national schedule this summer which will attract many other top junior golfers in the nation. I enjoy playing a difficult schedule so I can test my game against the top juniors in the country. My upcoming summer schedule is shown on the bottom of the next page (the past three years' results are on the following pages). As you can see, it is a very intense schedule with four AJGA tournaments and the very prestigious Bubba Conley. I also hope to qualify for the Junior PGA.

A huge reason that I play such a tough schedule is to be exposed to some top-notch college coaches. My hope and goal is to one day tee it up while representing a college. I realize to do this I will have to play well in front of coaches. I am one of the most competitive guys you will ever meet; from a very prestigious golf tournament, to a chipping contest with a friend, or even playing a video game, I am

trying to win. The experience in being in competitive environments will hopefully one day help me further my golf career to the next level.

Also, as a very outgoing and friendly guy I would be a perfect candidate for this grant. Just as I did in the 2016 and 2018 Drive, Chip, and Putt National Finals, I would (and will regardless of receiving the grant) represent Kentucky well. As the grant recipient, I would be a great ambassador for junior golf and Kentucky across the southeast. I communicate well with adults as well as juniors. I enjoy traveling and meeting new friends. I am still close with kids I met six to eight years ago. I always look forward to reconnecting with golfers as well as the pros and staff when I return to a tournament.

It would be a true honor to receive this grant. Any time your name is associated with Justin Thomas you know you are doing something good. I hope to add my name along side his one day and hopefully be labeled as a Major Champion.
