I would like to apply for a Justin Thomas Grant because I really like to play tournament golf. Being from a part of Kentucky that is isolated makes the process of playing tournament golf a little more expensive not to mention time consuming. Any tournament I want to play is at least an hour and a half, usually farther, away from my house. Whether it's Bardstown, Charleston WV or Pinehurst NC there are no shortcuts from Beattyville!! Playing across state lines is another couple of hours and those bigger events are the ones that really allow me to compete against some of the best young golfers.

It's great to play well and have a high finish in a big tournament, but once that final putt falls, that signals the beginning of a long ride home. That long ride usually ends late in the night after a quick trip through a drive thru and a couple of stops at gas stations for a fill up. The costs really add up. Entry fees, gas, food, hotels are the costs my family must pay if I want to compete and have a chance to fulfill my dream of playing college golf.

Golf has allowed me to travel the country, meet some great people and gain friendships that I hope last forever. With plans to play a schedule outside of Kentucky in addition to the Ky Junior Tour, it requires a great sacrifice and commitment from my family, so that is why I would like to receive a Justin Thomas Grant. Thank you.
