Dear Committee:

It is my great pleasure to recommend JK (Jackie) Resinger to be elected to the Kentucky Golf Hall of Fame.

Jackie's passion for the game of golf is far reaching. For many years, she was involved with numerous state and local golf associations and organizations. She has served as President of the Women's State Golf Association and served on the KGA/PGA Board of Directors, where she has consistently been a strong advocate for improving golf for everyone in the state.

For over 20 years, she was Kentucky's representative on the USGA Junior Girls Committee. That service enabled her to be instrumental in the advancement of girls' golf in the state.

In the mid 90's, Jackie approached me with the idea of initiating a Kentucky Women's Open Championship which would be a gross event for low handicap lady amateurs as well as KY golf professionals. Since its conception, the Open has become a huge success. Besides being an advisor to the event, Jackie donated the crystal trophy for the championship. To honor and thank her for all the years of dedication and service for the advancement of golf in Kentucky placing her in the Hall would be of the highest honor.

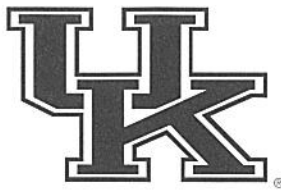

I have been associated with Kentucky golf for most of my life and I cannot think of anyone who has donated more time and resources to this game we all love. I sincerely hope you will consider Jackie Resinger as the newest member of the Kentucky Golf Hall of Fame.

Thank you.

Sincerely,

Tennye Ohr, PGA

Dear Committee,

I don't think there is any female in Kentucky who has given more to golf than Jackie Resinger. She served on the USGA Junior Committee for 20 years and ran the qualifier for this event each year. She was President of the Women's Kentucky State Golf Association and during her term was instrumental in establishing the Dorothy Waters Award for Junior Golfers. Jackie helped start the KY Women's Open and donated the trophy for the winner. She made sure that Kentucky sent a 3 person women's team to compete in the National Team Championship and supplied them with uniforms.

Jackie was on the KGA/PGA board of directors and is now a director emeritus. She was a member of the state course rating team; serves as a rules official for tournaments in the state and asks for no compensation. She has always been a booster for UK Women's Golf and made a generous donation of \$25,000 to the UK Golf House. I cannot think of anyone more deserving for the Kentucky Golf Hall of Fame. Thank you for your consideration.

Sincerely,

Bettie Lou Evans
Director of Golf Operations
