

Kentucky Golf House

Hall of Fame Nomination Committee

To Whom it May Concern:

This letter is to formally nominate Todd Trimble, PGA to the Kentucky Golf Hall of Fame. While I am not close with Todd, I have known him for about 20 years now. When I began playing competitive golf, Todd was the Head Professional at the Country Club of Paducah. He always carried himself as a true professional and treated members and nonmembers with the same respect and courteousness. After some 12 years, he left to open the Golf Complex to focus on his passion of teaching. The Golf Complex now employs 4 PGA certified instructors and does thousands of lessons and fittings a year.

While sheer numbers don't make a "Hall of Famer", the accomplishments of his students and his own awards certainly do. Todd was on the PGA Ky Board of Directors from 1996-1998, honored as the Kentucky PGA teacher of the year in 2006, 2008, 2009, and 2013, and the Top Teacher in Ky by Golf Digest in 2011 and 2012. The most impressive thing to me is the number of students that he has helped to receive golf scholarships and then go on to play professional golf. I have attached his student list at the bottom of this letter, but a few highlights would be Josh Teater – PGA Tour, Patrick Newcomb – Web Tour, Rick Cochran III – Web Tour, Emma Talley – LPGA and Past NCAA Champion. His passion for teaching juniors is really where he shines.

A few years ago, my swing was having some issues, my teacher had just taken a new job at the Greenbrier, and I was in need of some swing help. I immediately reached out to Todd. He explained that he was extremely booked up and could hardly see me since I live two hours away and could only do weekends. After he asked around about me to make sure I was serious, he emailed me back and said he could meet a couple times a month at 6am on Saturday mornings. I was extremely impressed with his teaching and quickly got my swing back together. However, I was much more impressed about how he was willing to help and his passion towards the game of golf.

Thank you for consideration in this matter and please feel free to reach out if I left out any information or if you need anything else.

Sincerely,

Bo Brien

Wade Thompson - Southern Illinois	
Chance Holden – Arkansas State	Logan Loftus – Austin Peay
Andrew Mitchell – John A Logan	Ryan Burnett – Lindsey Wilson
Joey Mayo - Rhodes College	Abbi Stamper - Murray State

To Whom It May Concern:

Please consider this letter of recommendation for Todd Trimble to be elected into the Kentucky Golf Hall of Fame. I met Todd Trimble when I was a member of the Marshall County golf team as a freshman. I was not a member of the Country Club of Paducah where Todd was a head pro at the time, but he I played in some junior tournaments and high school matches where Todd was around. At that time, I was extremely passionate about the game, but had never had a teacher. After spending some time around Todd, I knew I wanted to get lessons from him. Todd had absolutely no problem taking me under his wing, even as a non-member. The level of care and concern he gave to my game and results is something I will never forget.

Due to some life circumstances and injuries, I rarely play golf anymore. I still follow the results on a national and state level for the kids from Western Kentucky. Knowing that Todd contributed much to many of those kids is a great thing to carry forward. I can think of no better ambassador for the game of game, or a better nominee for the Ky Golf Hall of Fame.

Sincerely,

Luke Anderson

Subject: KY Golf Hall of Fame

I strongly recommend Todd Trimble for the Kentucky Golf Hall of Fame. As a two time OVC champion at Murray State University, Todd was instrumental in my success.
